

PORTS DIRECT UK CRUISE TRANSFERS

Cruise transfer specialists **Ports Direct** are geared to offer cruise passengers Nationwide Door-To-Door cruise transfer services

With coverage of cruise ship departures from Dover, Harwich, and Southampton cruise terminals, the Ports Direct service is geared to offer UK cruise passengers a stress free transport solution on their outward and return connections.

Ports Direct are able to offer a range of vehicles depending on passenger numbers from a saloon car to a fleet of executive coaches. Our drivers will handle all of your luggage at your chosen pick up location and ensure a porter is at hand to check your luggage in at the ship terminal. For your return journey your driver will be waiting at the arrivals hall of the terminal holding a **Ports Direct** name board clearly displaying your name ready for your return transfer.

With a wealth of experience in the land transport sector, **Ports Direct** is backed by a comprehensive and professional safety scheme which ensures it's carriers are carefully monitored and quality checked to deliver a first class cruise transfer service at all times.

Ports Direct operate a range of Shared Door-To-Door and Private Door-To-Door services.

All transfers are guaranteed to operate with **Ports Direct**, even when passenger numbers are low.
