onestop4: is a specialist provider of Cruise Travel Insurance. We accept cruise travellers up to the age of 99 years and with pre-existing medical conditions.

onestop4: specialist cruise travel policy provides for cruise travellers with pre-existing medical conditions. Your insurance could provide exactly the right cover for your conditions, and you can be safe in the knowledge that you are properly insured.

onestop4:cruise policy highlights include:

- Cancellation cover for the full invoice value of the holiday e.g. cruise, transfers, hotels if you extend your trip, transport from home to the point of embarkation, flights and so on are all covered if you need to cancel, curtail or abandon your holiday. We don't set a ceiling of £25,000. If you are taking a high value cruise we cover the full invoice cost, even if that is £100,000 or more.
- If you are booking a last minute cruise and you don't need cancellation cover – save money and deselect this option.
- Duration of the cruise plus travel extensions for a total of 183 days.
- Cover for pre-existing medical conditions – subject to acceptance following a FREE, FAST medical screening.
- Cover to the full invoice value if the company with whom you are cruising, or the airline on which you are flying, or the hotel in which you are staying becomes insolvent prior to your departure, and in the instance that this happens after you have departed, you are covered for the costs to return home.
